Fifth International Conference on Recent Trends in Information Processing & Computing (IPC). IPC 2016 will be held during Oct 08-09, 2016; in Chennai, India. IPC 2016, is to bring together innovative academics and industrial experts in the field of Information Technology, Software and Web Engineering, Computer Applications, BPO, Business Administration, Information Processing, Computational Mathematics, Management, E-Marketing, E-Commerce, Computational Management, and System Administration, E-financial Analysis.

IPC conference is jointly organised by the IDES and the Association of Computer Electrical Electronics and Communication Engineers (ACEECom). All the accepted registered papers will be published by the Narosa Publishing House, and will be submitted to possible indexing in all the major indexing services like EI, ISI Web of Science, DBLP, IET Inspec, Scopus and etc.

IPC 2016, is an international conference where theory, practices, and applications of software and Web Engineering, Computer Science, Computer Appllication, Electronics Commerce, Electronics Marketing, E-Cash, Information Processing, Information Technology, Knowledge Management and related topics are presented and discussed. Original contributions are solicited on topics covered under broad areas such as (but not limited to):

Software and Web Engineering	Databases
Computer Science, Data Mining	Digital Signal Processing
Computer Appllication	Distributed Systems
Electronics Commerce	Event Driven Programming
Electronics Marketing	Expert Systems
System Administration	High Performance Computing
Computer Management	Image Processing
Computational Mathematics	Watermarking
Information Processing	Information Retrieval
Information Technology	Information Systems
Knowledge Management	Mobile Computing
Data Communications	Multimedia Applications
Data Compression	Natural Language Processing
Data Encryption, E-Cash	Parallel and Distributed Computing
Software Engineering & CASE	Performance Evaluation
Theoretical Computer Science	Programming Languages
Security & Cryptography	Reconfigurable Computing Systems

Prospective authors are invited to submit full (original) research papers (which are NOT submitted/published/under consideration anywhere in other conferences/journals) in electronic (Doc or Docx format only) through the CMT Conference Management System or via email ides.ipc.chair@gmail.com
